

The Republican Party of Texas

The Republican philosophy is a true reflection of traditional Texas values. It is these values – core Republican principles – that will sustain Texas into the future and continue to make our State strong, prosperous and proud.

We support...

- **Strong Families**
Families intent on giving their children the hope of a better tomorrow, the promise of a safe and secure today, and an appreciation and respect of yesterday.
- **Limited Government**
A government that promotes policies to unlock individual potential and unleash economic growth. Government that does not try to be all things to all people.
- **Opportunity For All**
The opportunity to chart one's own course – start a business, chase a dream, or build a life regardless of gender, race, or religion.
- **Personal Responsibility**
Individuals taking personal responsibility for their own actions and a criminal justice system based on this idea. With freedom comes responsibility.
- **Rugged Individualism**
The entrepreneurial spirit of the individual that continues to solidify Texas as a world economic power.
- **Principled, Innovative Leadership**
Principled leaders with an understanding of Texas' heritage and a clear vision for Texas' future. Leadership that is unwavering in the face of criticism, steadfast when confronted with adversity, and committed to building a better State.
- **Honest Compassion**
A society assisting those in need rather than a government trying to solve every problem by simply throwing more money at it.
- **Quality Education**
An educational system that prepares children for tomorrow's workplace regardless of race, wealth or geographical location. Education is the bedrock of freedom and the gateway to opportunity.
- **Freedom**
Freedom that is God given, affirmed by our Founding Fathers, articulated in the Declaration of Independence, and protected by the Constitution.
